WELCOME ABOARD

sunways

WELCOME TO THE TEAM

TOMASZ GRNYO
General Manager EMEA

Sunways Welcomes Tomasz Grnyo as General Manager of EMEA

We are delighted to announce the newest member of our Sunways family, Tomasz Grnyo, who joins us as the General Manager of the Europe, Middle East, and Africa (EMEA) region.

Bringing over 15 years of profound professional experience in advisory and the energy sector, Tomasz's arrival marks a strategic move by Sunways. We are excited to leverage his expertise to accelerate our company's growth and further expand our footprint in the dynamic EMEA region.

PRODUCT TRAINING ROADSHOW

Philippines Roadshow

Sunways, with exclusive distributor Photonergy in the Philippines, completed a technical training on inverters from November 30 to December 1, 2023. The session covered fundamental aspects like features, installation, operation, maintenance, and applications in the residential and commercial solar systems. Highlighting Sunways STH-15~33kW Series hybrid inverter, tailored for large residential or small commercial and industrial applications. Facilitated by an expert, the hands-on training empowered attendees with comprehensive understanding, providing confidence in handling various inverter settings.

FESTIVE RECAP

Sunways brought festive joy to its workplace on Christmas Day through an employee-exclusive gift exchange. Colleagues eagerly participated in the event, exchanging carefully chosen presents and creating an atmosphere of warmth and camaraderie. The festive occasion not only celebrated the holiday spirit within the Sunways team but also provided a meaningful opportunity for coworkers to express appreciation and build connections. The exchange of gifts added a special touch to the work environment, fostering a sense of unity and shared celebration among Sunways employees during the holiday season.
